

<b><u>FIELD TRIPS / IDEAS</u></b>	
<p><u>Field Trips</u>  <a href="https://www.denverlibrary.org/museum-passes">https://www.denverlibrary.org/museum-passes</a></p>	<p>Anyone can sign up for a Denver public library card online. You only have to go into one of their branches one time to then pick up your official card. Once you have your accounts, you can sign up for free tickets to most local museums like the DMNS, and discounted tickets to others.</p>
<p><u>Orchestra Academy</u> <a href="https://orchestraacademy.com/">https://orchestraacademy.com/</a></p>	<p>This is who my daughter takes violin through. It's extremely inexpensive compared to other music lessons, and the teacher is fantastic. Several other kids from EP also attend. (Located in Brighton)</p>
